Our Exchange Student

This school year has been an extra-ordinary one for me. Through the year, I have been able to learn from and understand the people and this great nation of yours.

The experiences I have had in Bloomfield Central School will be ones I will ever cherish in my life. Living in the Bloomfield-Holcomb community has been a great and rare experience indeed.

Countless numbers of unknown and known people made my stay here possible and enjoyable. My sincere thanks go to AFS International, the local Adult and Junior Chapters, and the known and unknown helpers.

My experience here as a member of an American family I hope is going to be life long. I believe this is only the beginning.

I hope my stay here has brought you into closer understanding of my country, Ghana, and will in a way help create a more peaceful and understanding world.

To the faculty, students, and the whole Bloomfield-Holcomb Community, I say, "Me da mo ase," which in my own Twi language means "Thank You!"

Americans Abroad Program

Linda Wayne was the third student from Bloomfield to spend the summer abroad as a student diplomat for the American Field Service. Linda lived with the Günther Müller family in Neuschoo, Ostfriesland, Germany for seven weeks this past summer. She became acquainted with German customs through school, homelife, and travel around her community. Linda returned with many memories of a wonderful experience.

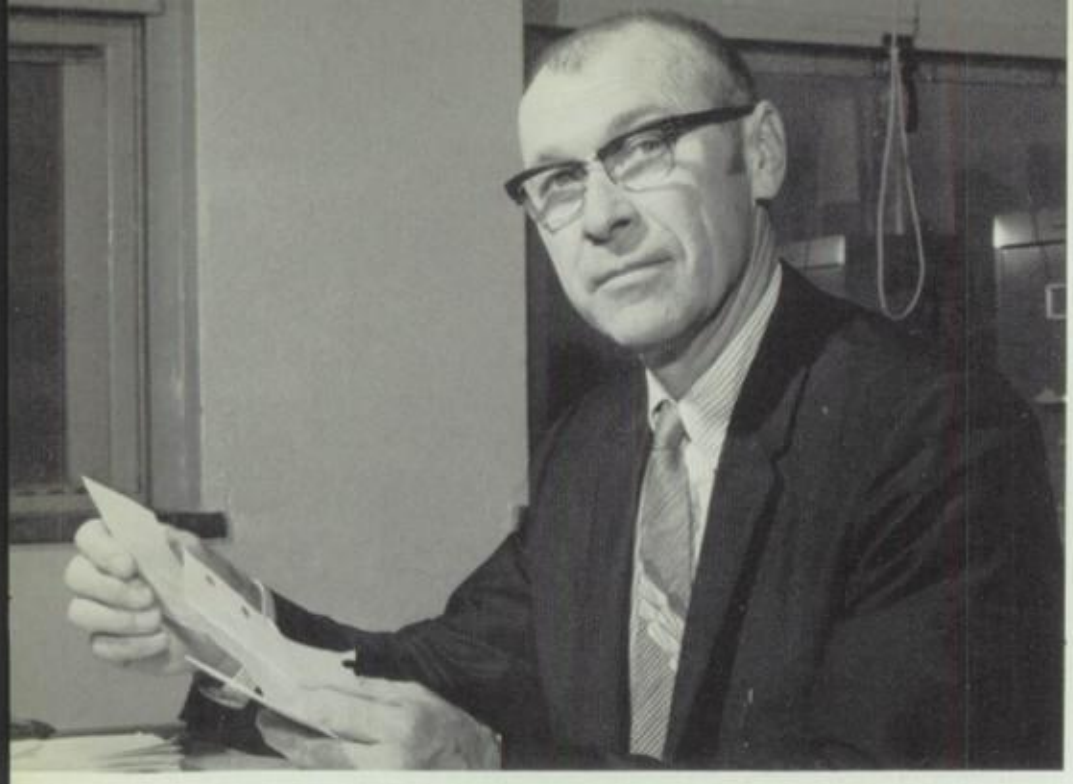
ADMINISTRATION



SUPERVISING PRINCIPAL

To The Class of '69

It is my trust that, through your educational program, you, the members of the Class of 69, have been given a base from which to move forward in your individual life goals. As you move to your beyond-graduation experiences, I sincerely extend to each of you my best wishes for success. Your task will not be easy. May each of you measure up and may America be a better place as the result of your life efforts.

To the Class of '69

The challenge is yours - celestial discoveries, international peace, national unity, respect of individual and on and on. Never has the task been greater.

We hope you have attained resources to react with wisdom in your life of continuous education.

The individual has never been more significant: his voice listened to - his opinion considered. Take the challenge, reconstruct, add to and build a community, a state, a nation which will give credit to the dignity of mankind.

My best wishes to every Senior and may every goal and ambition you have become a reality.

Bombers' Win Over Phelps Gives Bloomfield F-L Title

By BILL BOYLE

The Finger Lakes baseball loop ended its regular season Friday afternoon with the Bloomfield Bombers winning the championship and the Phelps Bulldogs and the Clifton Springs Blue Devils in a deadlock for second place.

Bloomfield beat the Bulldogs on a no-hit, no-run effort by Paul Hudson. The Bombers got to Doug Coston in the third inning for the only run of the afternoon in a 1-0 victory. Bloomfield also clinched the Class C Section 5 berth.

Both the Bombers and Phelps were 5-1 going into the game. It was a double-barrelled loss for the Bulldogs as they ended up in a second place tie with Clifton forcing a playoff for the Class B Section 5 berth.

Hudson's no-hitter, along with a little wildness by Phelps' hurler Doug Coston, gave Bloomfield the Finger Lakes crown. Coston gave up just three walks but they all came in the third inning. Tim Moran singled, Ken Reynolds walked, Charlie Stappenback grounded into a fielder's choice with Moran out at the plate.

Run Forced Home

Fred Shaffer walked and Mike Canaan walked forcing Reynolds home with the only run of the game.

Both pitchers were superb, with Coston giving up five hits and three bases on balls while striking out nine.

Hudson had one free pass and struck out eight in getting his no-hitter.

Bloomfield will meet York at Rush-Henrietta Wednesday afternoon.

American Field Service

Last year, the AFS organization was very active as it sponsored an International Day at school, an exchange student from the Philippines, a July bus stop, and the Americans Abroad program. They have an equally ambitious schedule for 1969.
